# Add building details Page

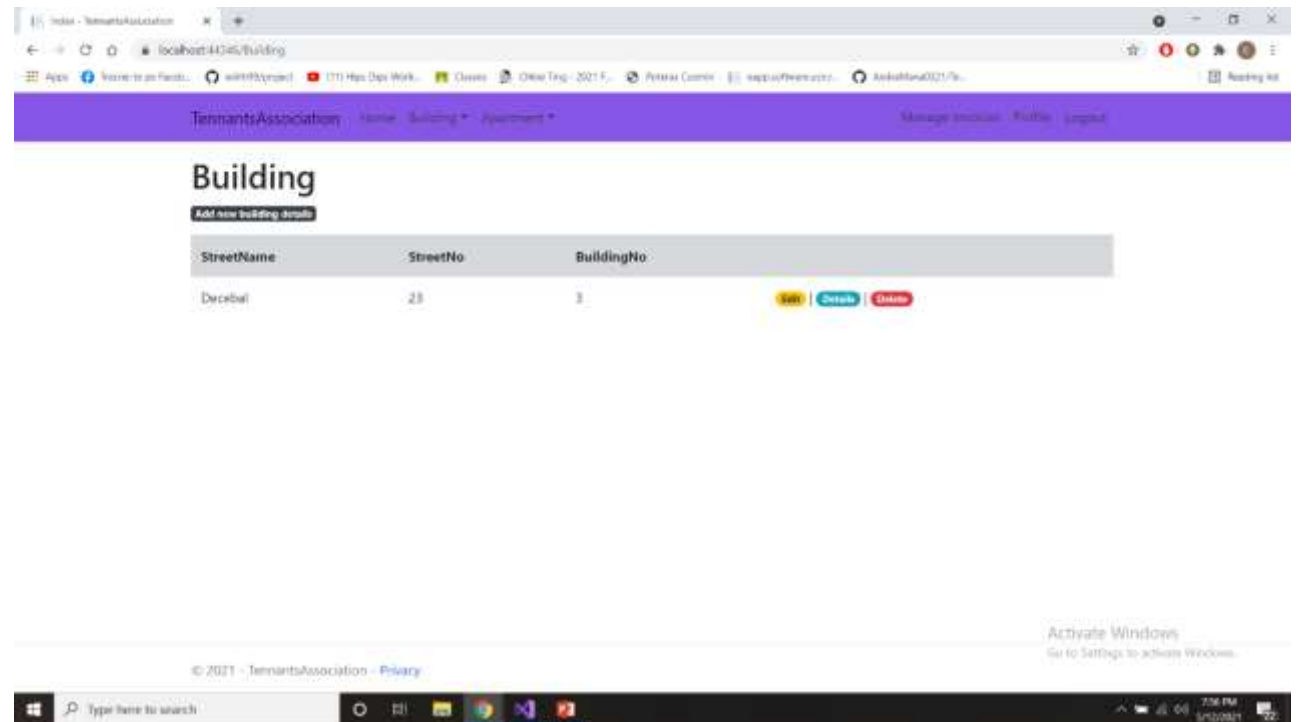

This form is meant to add the building details (street name, street number and building number).  
Here both the user and the admin have access.  
After introducing all the details, only the admin can see the list of all the buildings.

A screenshot of a web form titled 'Create Building'. The form has a red background. At the top, the word 'Create' is written in white. Below it, the title 'Building' is in bold white text. There are three input fields: 'StreetName', 'StreetNo', and 'BuildingNo', each with a white label and a white input box. At the bottom, there is a blue button with the word 'Create' in white text.

[Back to List](#)

# List of buildings

On this page, the admin can edit, delete, or see details in other form for every building in the list.

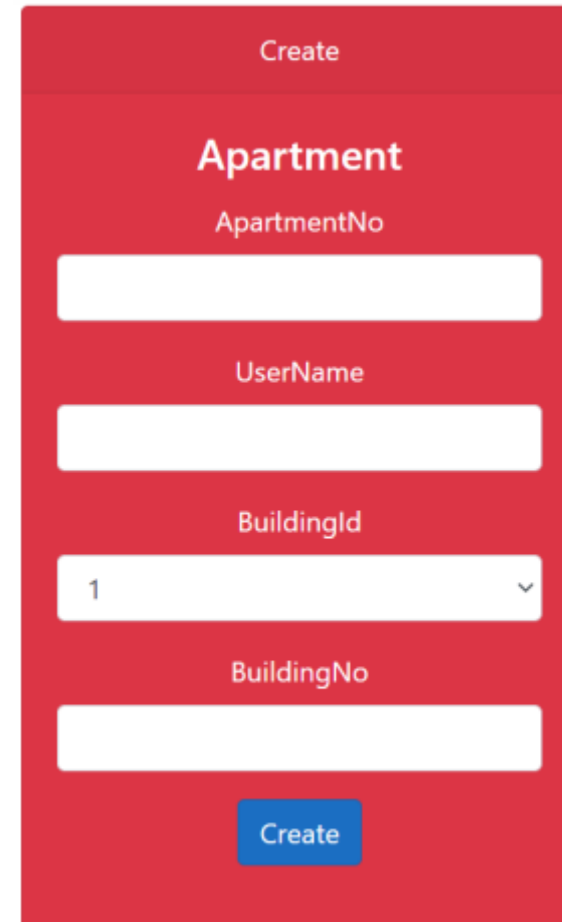

# Add apartment details

This form is meant to add the apartment details (apartment number, user details and building number).

One apartment belongs to one user, so the data for the user are mandatory.

Here both the user and the admin have access.

After introducing all the details, only the admin can see the list of all the apartments, from where he/she can edit, delete, or see details in other form for every apartment in the list.

A screenshot of a web form titled 'Create Apartment'. The form is set against a red background. It contains four input fields: 'ApartmentNo' (a text box), 'UserName' (a text box), 'BuildingId' (a dropdown menu with '1' selected), and 'BuildingNo' (a text box). A blue 'Create' button is located at the bottom right of the form.

Id Invoice	User Name	Apartment Number	Price	Status	
5	user@user.com	1	123	Paid	<a href="#">Edit</a> <a href="#">Details</a> <a href="#">Delete</a>
6	user@user.com	1	345	Unpaid	<a href="#">Edit</a> <a href="#">Details</a> <a href="#">Delete</a>
7	user@user.com	1	140	Unpaid	<a href="#">Edit</a> <a href="#">Details</a> <a href="#">Delete</a>
8	user1@user.com	2	200	Unpaid	<a href="#">Edit</a> <a href="#">Details</a> <a href="#">Delete</a>

# Paid / Unpaid Invoices

This page is also just for administrator. Here she/he can keep track of any of the invoices. There are generated the reports about the paid or unpaid invoices with some data/information.

The screenshot displays the 'Reports' section of a web application titled 'TennantsAssociation'. The navigation bar at the top includes links for 'Home', 'Manage Invoices', 'Reports', 'Profile', and 'Logout'. The 'Reports' section has two tabs: 'Paid invoices' and 'Unpaid invoices', with the latter being the active tab. A list of unpaid invoices is shown, with the first entry highlighted. The entry details are as follows:

Id Invoice: 6
New! Please pay the invoice.
Apartment: 1
User: user@user.com
Price: 345 RON
<a href="#">Delete</a>

Below this entry, the start of another invoice entry is visible, showing 'Id Invoice: 7'.

# Pay invoices

This page is used by the user to pay invoices. Here he/she can see details about the invoices and choose to pay them.
